## Case Study:

A children's play center purchased the mini sanitizer bottles and placed them in a basket outside the ball pit, which tends to be a high-germ area. They were imprinted with the center's logo and the slogan "Keep germs away so you can play!"

A Zoo purchased the mini sanitizer bottles as giveaway items to patrons attending turtle and snake handling demonstrations at their reptile house. Visitors loved the compact size for portability and kids loved feeling the little beads burst in their hand.
