

Shaggy Microfiber Screen Cleanin' Dude

#45083

Features:

- Soft rubber material
- Microfiber "hair" cleans laptop, cell phone, computer and other tech device screens

Case Study:

A web development company purchased the Shaggy Microfiber Screen Cleanin' Dude as a giveaway for a tech convention. Each was imprinted with the company logo and the slogan 'Get a Clean Start for your Business with 15% off services.' Several new clients resulted from this giveaway.
