TARGET MARKETS:

- Sports Teams
- Charity Races
- Summer Camps
- Fitness Centers
- Game Day Giveaways

CASE STUDY:

A sports camp gave out the Sport Gel Bead Hot/Cold Packs as a part of a welcome gift pack imprinted with the camp's logo. Attendees could chill them in freezer for a flexible ice pack or warm in the microwave for relaxing heat after a long day of practice. Being both versatile and reusable, the camp's name & logo was sure to be top of mind throughout the upcoming sports seasons.
