

Safety Bend-A-Pen

#55127 & 80-55127

Features:

- Award Winning Design
- Bendable body & arms
- Feet act as both a stand & cap

Case Study:

A manufacturing plant purchased the Safety Bend-a-Pen as part of an "Injury Free" initiative launched at a company meeting. Each employee received a pen imprinted with "Staying Safe - All Day Long" and booklet of updated procedures and policies. The employees loved them and used them daily while the company reported a more than a 35% decrease in injuries.
