

Sun Fun Sunglasses

#42150 & 80-42150

Features:

- Frosted Frames change color in sunlight to Blue, Orange, Magenta or Yellow
- Color intensifies with strength of UV rays
- PC lens with UV 400 protection

Case Study:

A tanning salon ordered the Sun Fun Sunglasses as a promotion during a surfing competition. Their logo was imprinted as well as tagline that said "Keep Your Color All Year Round". They offered a 10% discount to anyone who came to the salon wearing the glasses which was a lot of fun for the patrons and boosted membership during their off season.
