

Ribbon Smart Wallet

#44420

Features:

- Pink ribbon design with 2 imprint areas
- 3M adhesive backing securely attaches to the back of your cell phones
- Conveniently holds credit cards, ID cards and cash
- Patent Pending

Case Study:

A mammogram clinic handed out the Ribbon Smart Wallets to attendees at a health fair. Each smart wallet included the name and number of the clinic and their logo. Inside the pocket, the clinic inserted their business cards as well as a handy list of breast cancer screening tips, resulting in a very successful promotion for both the clinic and breast cancer awareness.
