

# HELP US REACH OUR GOAL OF

## \$12 Million IN DONATIONS!

Through our **GiveBack One for One** program, we have proudly supported **NAEIR** for many years through **11 million dollars** of product donations.

By purchasing one of our **GiveBack** items, **AAkron Line** will donate an equal amount of product from that same category to **NAEIR** to support their mission. We look forward to increasing those numbers year after year with your help.

LEARN MORE BELOW

**NAEIR empowers generosity** by providing the conduit between philanthropic donor companies and the ill, the needy, and children served

by the nonprofit sector in the United States. **NAEIR** is a non profit gifts-in-kind organization that receives **tens of millions of dollars** in donated products every year from companies across the nation. This merchandise is then redistributed to over 30,000 member schools, teachers, churches, and nonprofit organizations. **NAEIR's** generous donors and active membership base exemplify product philanthropy at its best. To learn more visit [naeir.org](http://naeir.org)

## Measuring Devices

**FIGHTING BACTERIAL GROWTH ON PRODUCTS  
ALL DAY. EVERY DAY!**

Featuring an antimicrobial additive molded in the plastic

MicroHalt™ products each have an EPA registered antimicrobial and/or antibacterial agent incorporated into the plastic that protects the item itself by suppressing growth of bacteria. The EPA master label for the registered additive states that the antimicrobial and/or antibacterial agent is approved for inclusion into the polymers from which the products are manufactured for protection of those products themselves. The antimicrobial properties do not protect users or others against bacteria, viruses, germs or other disease organisms. For more information on U.S. regulations on antimicrobial agents and treated products, visit [www.epa.gov](http://www.epa.gov)
