

MICROHALT™ Handle Coverz - 2 Pack

43800

MICROHALT™ Handle Coverz - 2 Pack

TARGET MARKETS:

- Retail / Grocery Stores • Travel / Hospitality • Transportation

PRODUCT FEATURES:

- Manufactured with an antimicrobial additive which fights bacteria growth on the product's surface.
- Neutralizes over 99% of active bacteria on product's surface.
- Additive doesn't wear off and remains effective for the life of the product
- Easily slides cover shopping cart handle
- 4.5" long silicone material
- 2 pack includes 2 imprinted covers and 1 carabineer clip which holds both covers
- Complies with JIS Z 2801: 2010 Specification for antimicrobial activity and efficacy of antimicrobial products

MicroHalt products each have an EPA registered antimicrobial agent incorporated into the plastic that protects the item itself by suppressing growth of bacteria. The EPA master label for the registered additive states that the antimicrobial agent is approved for inclusion into the polymers from which the products are manufactured for protection of those products themselves. The antimicrobial properties do not protect users or others against bacteria, viruses, germs or other disease organisms. For more information on U.S. regulations on antimicrobial agents and treated products, visit www.epa.gov
