WHY CHOOSE ECOVESSEL?

- Value-added features including soft-landing silicone bases, strainers for tea, fruit and ice and multiple leak-proof interchangeable lids.
- Signature TriMax® Triple Insulation (stainless steel vessels only) have the superior conductive property of copper which evenly maintains the temperature throughout the bottle.
- Reflecta™ Insulated Lids (stainless steel vessels only) are designed so liquids don't touch plastic and they use the insulating properties of stainless steel to provide maximum hot and cold retention.
- EcoVessel's 100 year warranty ensures long-lasting quality that lasts a lifetime.
- EcoVessel is a proud member of 1% For The Planet, donating a minimum of 1% of sales to various environmental nonprofits.
