

Mood Barware Items

Features:

- 2 oz. shot glasses have a unique square bottom & round top design with 1 oz. line marked inside
- Mood stirrers are available with spot or full color digital imprint

Case Study:

A liquor company distributed the Mood Shot Glasses and Mood Stirrers as part of a new product launch. The vibrant colors paired nicely with the fun flavors of the alcohol, and the color changing feature made them stand out from the crowd.
