

16 oz. Double Wall Mood Mason Jar

#74316

Features:

- Double-wall design
- Mood pattern changes color with ice cold liquids
- Includes matching lid and straw

Case Study:

A garden shop purchased the 16 oz. Double Wall Mood Mason Jars as part of their "Transition to Spring" event. Each jar was filled with coupons and a packet of seeds and imprinted with the shop's logo and information. They were a big hit with the crowds and many customers returned with the coupons throughout the following weeks.
