

# Safety Smilez Pen

#55058

## Features:

- Black trim and Yellow safety hat
- Black ink cartridge
- Optional clip imprint available

## Case Study:

A construction company handed out the Safety Smilez Pens at a job fair. Each applicant was given the pen to keep after filling out their applications. Each pen featured the company logo and tagline "Serious about Safety." The pens helped the company make a strong impression regarding their commitment to maintaining high standards on employee safety.

Shown with optional clip imprint
