

2 oz. Nite Glow Shot Glass

Features:

- Glows in the dark - nite glow effect activated by exposure to light
- Unique square bottom, round top design
- 1 oz. line marked on inside

Case Study:

A major concert festival purchased the Nite Glow Shot Glasses for serving shots at the bar and providing an event souvenir. The festival logo and "Make the Night Shine" were printed on each one. Patrons loved how they were easily seen after nightfall and the items were a favorite aspect of the event.
