

# Moodoggle

#28700

## Features:

- Kit includes your choice of 2 mood strings (24" each), imprinted mood charm, charm clip & key ring
- Mood charm and mood string change colors with the heat of your hands
- Polybagged kit is shipped unassembled with instructions printed on polybag

## Case Study:

A summer camp ordered the Moodoggle Kits so that the campers could make their own key rings for their gear locker keys. The camp logo was imprinted on the charm along with "Friends Forever" underneath. The campers were then encouraged to trade cord and charm colors with others so they could both make friends and customize their kits. The kids loved the activity and it served as a great ice breaker for the kids to make friends quickly.
