

LED/Bottle Opener/Key Chain

#28110 & 80-28110

Features:

- Aluminum barrel
- Batteries included - remove paper insert before use
- Key ring attached
- Push power button on end

Case Study:

A sporting goods store gave the LED/Bottle Opener Key Chains imprinted with their logo to all guests who signed up for their rewards program at their grand opening event. The customers loved the handiness of the dual function flashlight and the store continued to use them throughout the year with each new reward member.
